THE SYMBOLS IN INSTRUCTION MANUAL

	Read the instruction manual before using.
	General handling
	Construction work
	Express handling
	Repair processing
	Machining
	Assembly maintenance

INTENDED USE

- Agriculture
- Food handling

- Packaging
- Dry pharmaceutical
- Small components assembly
- Electronics industries
- Semiconductor industries
- Maintenance
- General applications

SPECIFICATIONS

Model No.	HGVL05
Knitting	10 gauge
Material	shell: polyester
Coating	Latex
Size	XL
Coating type	palm coating
Package	1pair/card

- Due to our continuing program of research and development, the specifications herein are subject to change without notice.

OPERATION

Care instructions

1. Do not wash with high temperature water (recommended water temperature is 10-30°C)
2. Dry in a cool place and avoid exposure to the sun
3. Must be thoroughly dried after washing

Product descriptions

- 10-gauge finely-knitted
- Exceptional anti-slip performance
- Advanced yarn technology increases worker confidence while on the job
- Latex coating improves tactile sensitivity.
- EN 388: 2142X
